You may sign up for as many or as few sessions as you choose and in any order. They are not dependent on each other, so you may select any session that is convenient for you. We will work to place each swimmer in the correct swimming level.

Each session is limited to a maximum enrollment of 16 students; thus, keeping group sizes to a minimum. Also, enrollment of two or more students is required or the session will be cancelled. In this case, the fee will be refunded. Additionally, a parent or caretaker must be present during each swim lesson.

Since these sessions are short in duration, we expect each student to attend all classes. There are no refunds for these classes so please schedule them accordingly. If there is a rainy day and a class has to be cancelled, the make-up day will be that Monday at the corresponding time. If there is more than one rainy day for that week, the days lost will be pushed to that following week. If the following week is problematic, you should speak with John. He will work with you to try to resolve this matter.
