

LARCHMONT MANOR PARK SOCIETY

Established 1892

February 27, 2017

With the summer season only a few short months away, it is now time to start thinking warm weather and sunny days at Manor Beach. Starting March 1, the application to join Manor Beach will be available on our website for all to access.

This summer will feature all of the favorites from prior seasons including Friday Family Fun Late Nights with specialty foods, the popular *Tiki Bar*, and weekend breakfasts. We will also continue our open water weekly swim program, *Power Lessons*, as well as the Junior Lifeguard program for young adults (ages 12 - 14) who are proficient swimmers and thinking of becoming future lifeguards. Weekend Yoga will also be back for all early risers.

Some special celebrations to note on your calendar for the summer 2017 include:

- Open House Sunday, May 21, from 12 pm - 4 pm
- Friday Family Fun Nights starting June 2 through August 18
- June 24 - Annual Hawaiian Luau
- July Fourth Celebration with live music and a barbeque on the beach
- Annual Clam Bake on the Saturday of Labor Day weekend

Applications for membership, aquatic program sign up forms, and all other important beach related information can be found on our website: www.larchmontmanorpark.org

Please be aware that applications will not be emailed as in past summers. Therefore you will need to visit our website to obtain your copy. Please be sure when completing your application to read the *Conditions of Application and Membership*. This will answer the questions that you may have when filling out the application form.

As a reminder, all memberships sold out last summer in record time, so if you would like to spend your summer relaxing on Larchmont's beautiful beach and being part of its festivities, submit your application as soon as possible!

I look forward to seeing you there!

Sincerely yours,

John Keenan
